If they cannot be contacted within a reasonable time, or in the event of a medical emergency requiring immediate intervention as determined by qualified medical personnel, Bodwell will authorize such procedures, including admission to hospital, and treatment as recommended by qualified medical personnel. Any expenses incurred with respect to such treatment shall be borne by the student's family and shall not be the responsibility of Bodwell.

Bodwell staff are allowed to search student's personal medication supply in the event that staff believe there are indicators that the student may be on an undisclosed medication.

In serious cases, the student will be dismissed without a refund of the paid fees.

Such unacceptable behaviours include but are not limited to threatening the safety and well-being of fellow students and staff; possession or association with drugs; multiple offenses of smoking or drinking alcohol; serious absenteeism from classes or activities; staying overnight without prior parental and school approval; and actions causing damage to the school's reputation.
