THE 6 L'S
Becoming well-rounded
The essence of a successful life

We strongly believe that there are several powerful aims of education all working together to guide the development of young people towards a balanced character. This concept shapes everything that we do at Bodwell, represented by “6 L’s.” Each L is an essential part of the Bodwell experience in both the academic and boarding programs. We practice and encourage well-roundedness in our students by offering a wide variety of classes, events and outings, meant to nurture the mind and body as well as to foster a sense of community and teamwork. The 6 L’s are a daily reminder of our conviction that education is a lifelong journey and one of the most important pursuits of life itself.

- LEARN to excel through English
- LIBERATE the academic mind
- LIVE an active & healthy lifestyle
- LEAD for positive change
- LOOK inward & forward
- LOVE the Earth & one another

BALANCED SCHEDULE

ACADEMICS
With the expert instruction of teachers, students immerse themselves into the Canadian curricula and develop critical thinking skills needed for success at university. Classes in Arts and Athletics allow students to explore many new ideas and pursuits, while joining clubs and teams provides a challenge to both the mind and body.

STUDENT LIFE
Learning extends beyond the classroom through life in the Boarding Program. Engagement through campus activities and supervised outings allows students to deepen their friendships and broaden their horizons. Student life is a chance to participate and mature as young adults as well as to recharge for the day ahead.
